

RYCZYWÓŁ – A BEAUTIFUL PLACE

In our village Ryczywół there is a lot of beautiful places. One of them is a square which is in the middle of the village. On the square you can see St. Catherine's Church, a playground with a gim and also an exceptional for the village a piece of rock commemorating the death of a Polish soldier. There is a fire station too.

When you go to Wilczkowice Górne you can see our school. Further there is "kirkut" – a Jewish cemetery. Besides there is a Catholic cemetery that is situated near the road to Kozienice. In Ryczywół there are not only buldings but there is also a very beautiful Radomka river. In the summer children and adults swim in it. There are amazing forest around too.
